Class Will

WE, THE CLASS OF 1954, BEING OF SOUND MIND AND BODY DO HEREBY BEQUEATH THE FOLLOWING TO THE UNFORTUNATE UNDERCLASSMEN.

So be it as it is stated here:

Laura Haynie wishes to will her place in the office to Ruth Tumblison hoping that "Tootie" enjoys listening to the radio and talking over the telephone as much as she did. Jimmy Brown leaves his "ah yeow" and "umm mama" to anyone who will do them justice. Jimmy Odom leaves his line backing post on the football team to Robert Brown. (Come on Robert be a football hero, not a breaker of girl s' hearts.)

Mary Cooke leaves her art(????) of driving cars to Bunny Thomas. Jimmy Perry wills his ways and means of skipping classes to Frank Kerby. Louroyce Jones and Elaine Cole leave the girls of "Dear Ole Sanger High" all of the Junior boys with the exception of two. ("Lay off girls!")

Tommy Kincaid leaves his car to Clifford Belz so that Clifford won't have to ride his bicycle to town. Betty Blakely and Billie Jean Houchin leave their ability to fenigle candy and cokes from boys to Mary Jo Golliday and Barbara Harberson. Bobby Rector leaves his love for all girls to anyone who can handle them, while the Freshmen girls are the receivers of Patsy Rater's love for boys. Buddy Hinzman wishes to bestow his ability to find his way into every girl's heart to Eddy Hernandez.

In order that Billy Ed Nance might know what is going on at all times, Albert Lynch leaves his super ability to talk and hear what the teacher says at the same time. Bill Solomon leaves his ability to get out of plays in English to anyone who is smart enough to make good use of it. Billie Jean Coffey leaves her wildlife and many boy friends to the best gal in town, Shelly Davenport in hopes that she will make good use of them.

The Senior Class will its love for candy, funny books, eraser fights, and paper airplanes to the Freshmen. To the Sophomore Class we leave all our Civics notebooks with the hope that they too can get through the course. With the Juniors we leave our quiet and bashful ways.

We would like to take Mr. Wilson with us; however we will leave him with the class who is fortunate enough to elect him as their sponsor.

With Mrs. Dickie we leave our love, SENIOR FREEDOM, and a LOST KISS.

Sanger High School Homecoming 1964

Class Prophecy

The night was cold and blustery, but the Sanger Indians were on the war-path. As we entered the gates, the feeling of Homecoming filled the air. It was about time for the game to begin and Coach Jimmy Brown and line coach Bill Solomon were having final conference with their co-captains, Rusty Patton and Ronnie Holder. This was a suspenseful game because the Indians were battling the Lewisville Farmers for the District AA Crown.

The half-time break provided an opportunity for the exes of 1954 to meet and greet old friends. We were greeted with a "Ding, ding!" from Mary Cooke who is now operating a dare-devil show back in Alabama. Much to our surprise we learned that Betty Jo Blakely and Laura Haynie were coaching the basketball girls of our dear alma mater. Their advice to the team was "Eat all the candy you can swipe and smoke all 'stoggies' you can bum." Elaine Cole and Billie Jean Coffey, who received their diplomas from Draughon's Business College, are presently employed as stenographers by the president of Neiman-Marcus in Dallas where they take dictation from their boss' knee with the same Coca-Cola pencils they had ten years ago. We were glad to hear that due to Jimmy Perry's role as Pierrot in the "Lost Kiss" he has now entered the field of professional ballet and postponed his tour of Europe long enough to meet with his old classmates. Glancing across the field we saw Tommy Kincaid in the press box writing up the game for the Courier.

The second half started with a bang. A touchdown was made by Rusty Patton. This put Sanger in the lead with a 6-14 score. The good-looking guy sitting in front of us was none other than Buddy Hinzman who was always afraid of the girls. He still remains the most eligible bachelor in Bolivar. We learned from him that Jimmy Odom's kissing methods are much improved and he is now the town's number one "Ladies Man." Bobby Rector could not tear himself away from his beloved A & M, where he is now an art professor, long enough to attend the Homecoming. Our conversation was interrupted by the cheers of the Sanger spectators. The game was over and Sanger had won.

As we were about to leave the football field, we came in contact with two more of our old classmates. They were Billie Jean Houchin who invited all the girls of the class to her beauty salon where she offered to give each a special hair style at cut rates, and Patsy June Rater who had gone AWOL from the Lady Marines, which she had joined to be near her lover, to attend the Homecoming.

Another part of the Homecoming activities featured a basketball game between the House of David and the Sanger team. Much to our surprise we found our own Albert Lynch the star of the bearded giants. A celebrity from Hollywood received honorable mention at this game. She was Louroyce Jones who has now taken Judy Canova's place as the greatest comedienne in Hollywood.

Senior Class History

The time was September 9, 1942. The place was the Sanger Elementary School. A group of small children, timidly holding their mothers' hands, started on the long, hard road of education. Of this group only six students remain who will graduate from Sanger High this spring. They are Laura Haynie, Billie Jean Coffey, Mary Cooke, Louroyce Jones, Jimmy Brown, and Buddy Hinzman, who were guided their first year by Miss Alyne Seal. After being with us only a short time, Louroyce moved away.

When we entered the second grade with Mrs. Virgie George as our teacher, we lost Mary Cooke and gained Jimmy Odom and Albert Lynch. Mrs. Marguerite Riggs guided us through both the third and fourth grades. Bob Rector joined our group in the third grade and the following year we added Jack Cockrill and Betty Jo Blakely.

The next year we found Miss Cathlene Gentle, who helped us struggle through the fifth grade. We, especially the girls, were happy to accept that good looking little fellow, Jimmy Perry, as one of us. In the sixth grade we started growing up. The old "spitball" fights became sparse and the passing of love notes took their place. Mrs. Neppie Burroughs tried to reform us but the nine months were too short.

Louroyce Jones rejoined us in the seventh grade along with two new additions, Billie Jean Houchin and Tommy Kincaid. Along with the regular lessons we learned a great deal about music since Mrs. Grace Brown was our teacher.

The following year Mrs. Cleo Lockhart was the unfortunate one because by that time we were becoming some what rowdy. Everyone was excited over graduation. High honors were received by Louroyce Jones, who read the class will, and Billie Jean Coffey, who gave the valedictory address.

Patsy June Rater and Bill Solomon joined us during our freshman year and enjoyed the FHA and FFA initiations with us. When the initiations were ended, we realized that we were full-fledged high school students; however we still clung to our old fashioned eraser fights. Mr. Jim Kearns finally convinced us that such was too childish for high school students; consequently, these fights were discontinued and the industry of making paper air planes installed with chalk bombs sprang up rapidly.

Mrs. Pat LeBeau, with her many money making schemes, guided us through our freshman and sophomore years. It was about mid-term in the sophomore year when Elaine Cole made her first appearance. She was greeted with smiles from the girls and whistles from the boys.

Plans and excitement over the Junior-Senior Banquet filled our Junior year. Miss Mizell, our faithful sponsor, helped with the banquet. The theme was "Gypsy Caravan" and Gypsy guests were present to entertain us. Mary Cooke returned from Alabama and again joined the group that she had started to school with.

The Senior year with all the excitement that accompanies it slipped upon us before we realized it. Mr. R.C. Wilson was elected sponsor and Mrs. Alex Dickie, co-sponsor. Mrs. Maurine Atwood from NTSC helped us immensely with the annual.

The long hours we have spent at Sanger High School have yielded a store of memories that will never be forgotten as long as we live.

LEWISVILLE

The brave warriors began their war party with a bang by scalping the Farmers, 14-0 for their first victory over Lewisville in 21 years. Sanger scores were made by Nance and Odom.

DECATUR

The Braves were brought down in the following game by Decatur with a 21 to 7 defeat. Since their opponent was a AA school, Sanger was proud rather than disappointed. Brown made the only Indian score; the conversion was added by Higgs.

BOYD

The Boyd Yellow Jackets stung the warriors with a 19 to 13 victory. Had the boys known about picking up a loose ball, the score we think would have been tied.

KELLER

The Friday following the Boyd game the Sanger Indians were humiliated by a weak Keller team. The score was 25-6. It appeared that the warriors were off somewhat that night. The Sanger score was made by "Big Frank Kerby."

ALVORD

The Sanger Indians hit their stride when they pulled a stunning upset. The score was 13-0. The Indians dominated the game so completely that Alvord was not able to get out of their own end of the field with the ball. With the great forward wall of the Sanger Braves, Jimmy Brown scored the points that night with Joe Higgs scoring the extra points.

MUENSTER

The Sanger Indians battled the Muenster Hornets in a district game that was played in the mud. The Indians were never able to get their high powered offense started as they were playing on a rain-swept field. Oscar Shelton was the Brave who broke the ice when he plunged over from the three-yard line, but found their defense lacking as the Muenster QB scored. The game ended a 6-6 tie.

ERA

On October 29, Era came to Sanger a slight underdog, but the Hornets came out on top, 6-0. Both teams played top notch football the entire game, but Christian scored the lone score in the second quarter. The Indians pushed the Hornets off the field the last half, but couldn't salvage a tally.

SANGER vs VALLEY VIEW

Sanger traveled to Valley View, November 5, to play host to the Eagles. Coach Browning started every senior and before the game was over he cleared the bench. Jimmy Brown scored first for Sanger and from there Solomon, Lynch, Kerby, Odom, Nance and Hampton brought the score up to 47 when the game ended with Valley View only 13.

SANGER vs CALLISBURG

Friday 13th proved to be an unlucky day for Callisburg. Sanger broke the ice when Oscar Shelton plunged over from the four-yard line. The Indians received the kickoff at the half and wouldn't give up as they marched seventy-seven yards and QB Nance passed to Frank Kerby who rambled the remaining fifteen yards. Sanger took the ball again and ground out fifty yards with their powerful offense attack. Big Frank Kerby made the touchdown from four yards out and went around the end for the extra point.

ST. JO vs SANGER

The Indians played their final game of the season against the St. Jo Panthers. Both teams were fired up for this one, and it was a defensive battle. Kerby scored the Indians' lone marker in the second period, and Bobby Clements won the game with his conversion. In the third period, Thurman scored for St. Jo, but the try for the extra point was no good. This ended the game with a score of 7-6.
